

# InfoTronics HP-1000 Biometric Attendance Package

*A Biometric Time & Attendance Package Because You Can't Afford To Be Wrong.*

**B**uffalo Time Clock, Inc. is proud to have the opportunity to offer you this outstanding package. Designed specifically to meet the needs of small businesses this package includes the popular Attendance Enterprise software by InfoTronics and a HP-1000 biometric terminal.

*Incredibly easy to use, employees enter a PIN number and then place their hand for verification in less than 2 seconds to punch in and out. The punches remain in the terminal until they are retrieved by the Attendance Enterprise software powered by SQL.*

## **What's Included**

- HP-1000 Time Clock
- InfoTronics Attendance Enterprise Software for up to 50 or 100 employees
- Standard RS-232 Serial Communications
- 50ft. RS-232 Serial Cable
- Payroll Interface to Common Providers
- USB Security Dongle
- Quick Start Users Manual
- Installation and Training
- 90 Day Warranty

## **Integration and Installation**

Buffalo Time Clock, Inc. will install the HP-1000 terminal along with the Attendance Enterprise software and train you to use it. You will be able to put your mind at ease knowing that one of our certified technicians will configure the system to your companies specific labor management requirements.

*Biometric verification takes place in less than 2 seconds with the HP-1000*
